Job Title:	Internal Recruitment Team Leader	
School/Department:	Careers and Employability Service	
Job Family and Level:	Administrative, Professional, Managerial Level 3	
Contract Status:	Permanent	
Hours of Work:	Full-time (36.25 hours per week)	
Location:	University Park	
Reporting to:	JobZone Manager	

#### **Purpose of the Role:**

The University of Nottingham Careers and Employability Service is a large, award-winning professional service which is committed to advancing the prospects of our students and graduates. Based in locations across all three UK campuses, we work as one service to provide collaboratively conceived, locally managed and collectively delivered services to students from all our Schools and Faculties.

The Careers and Employability Service has an excellent track record in supporting its students in their transition from University, and into the first steps of their future careers.

Unitemps Nottingham is a recruitment business managed by the University of Nottingham's Careers and Employability Service. Unitemps Nottingham provides temporary staff to all departments across the University as well as to external clients in the local region, using students, graduates and local talent as a candidate pool. Unitemps is a business with students at the heart of its ethos. A key priority of the business is to help students become more employable by providing them with a wide range of temporary assignments while studying.

The Team Leader role will be based in the JobZone Office of the Careers and Employability Service. It will report to the JobZone Manager and provide a recruitment service to the internal market, supporting all University Departments with their temporary staffing needs. The successful candidate will lead the internal Unitemps team and has line management responsibility for a small team of Recruitment Administrators.

The Internal Team Leader will have a proven track record in delivering temporary recruitment services, good customer service, relationship building and organisational skills to deal with a high workload and achieving challenging targets. The role involves coordinating all temporary internal recruitment, meeting with managers across the University; taking briefs; sourcing suitable candidates for temporary positions; screening and briefing candidates; registering candidates for payroll and answering related queries; checking identification documentation and supervising the internal team workload.
