ROLE PROFILE

Job Title: Student Services Administrator
School/Department: Student Services
Job Family and Level: Administrative, Professional and Managerial, Level 2
Contract Status: Fixed Term
Hours of Work: Full-time (36.25 hours per week) or pro-rata as required

Purpose of the New Role:
The University’s new and visionary Global Strategy 2020 puts students firmly at the heart of the University and makes them partners in their own education. The Student Services Administrator role will be based in either a Service Centre, within a School or in the Service Development base location and will ensure the delivery of a number of services associated with the student journey.

1. Staff located in a Service Centre will undertake roles in one of 2 areas:
   - Student Services: Support the development and delivery of student journey services delivered to students through the Service Centre
   - Academic Processes: Support the provision of specialist advice and direction as well as ensuring the delivery of a number of processes and services; Student Records, Registration, Induction, Graduation, Partnerships, Placements and Mobility, Finances, Funding, Curriculum, Postgraduate Research, Timetabling and Examinations.

2. Some staff will be located in a School where a close and consistent working relationship between administrative and academic staff is required to deliver the school’s academic provision, or provide discipline-specific academic/pastoral support to students.

3. Staff located in Service Development will run some underpinning services, but collectively will support the core development of processes, focus on Service Quality to develop continuous improvement of standard operating procedures and systems, as well as performance and talent management, communication and engagement. The teams will promote customer service best practice, manage complaints/conduct issues and assist the drive of the take-up of online services from students. Staff will be based with the associated Service Development team where their role is focussed on process development in a particular functional area.

The role will work within established procedures with minimum day to day supervision, to provide a range of services to agreed quality standards. The role holder will require a thorough understanding of relevant systems/processes of the working environment, gained through vocational qualification with work experience, or relevant work experience over some years. Role holders will organise their own day-to-day work to meet clear objectives and in some cases may be responsible for the allocation and scheduling of work to junior colleagues. They will typically have specific responsibility for a clearly defined section or sub-section of work and will be expected to deal with less routine queries/issues/requests, referring conflicts or more complex situations to the relevant person. Independence and initiative will be required to react to changing priorities and work circumstances, with scope to make decisions within clear parameters.
