Purpose of role

As Operations Manager (ESE) you will be part of the School’s operational management team and will be responsible for the day-to-day management, coordination, delivery and continuous improvement of professional services support for Education and Student Experience (ESE) in one of the Faculty’s seven Schools.

The detailed division of responsibility between members of the School’s operational management team will be agreed locally.

Working closely with the School’s Senior Operations Manager and Academic Directors, and colleagues in the Faculty and Central Professional Services teams, you will line manage a team of professional services staff, oversee and coordinate seamless operations and support, which underpins world-class teaching, an engaged student community and an excellent student experience, ensuring compliance with University policy and processes. In addition, you will help monitor, manage, and plan resource allocation, develop and implement local policy, processes, strategy, and plans.

The University of Nottingham is focused on embedding equality, diversity and inclusion in all that we do. As part of this, we welcome a diverse population to join our work force and therefore encourage applicants from all communities, particularly those with protected characteristics under the Equality Act 2010.
Expectations and behaviours

The University has developed a clear set of core expectations and behaviours that our people should be demonstrating in their work, and as ambassadors of the University’s strategy, vision and values. The following are essential to the role:

Valuing people
Is always equitable and fair and works with integrity. Proactively looks for ways to develop the team and is comfortable providing clarity by explaining the rationale behind decisions.

Taking ownership
Is highly self-aware, looking for ways to improve, both taking on board and offering constructive feedback. Inspires others to take accountability for their own areas.

Forward thinking
Driven to question the status quo and explore new ideas, supporting the team to “lead the way” in terms of know-how and learning.

Professional pride
Sets the bar high with quality systems and control measures in place. Demands high standards of others identifying and addressing any gaps to enhance the overall performance.

Always inclusive
Ensures accessibility to the wider community, actively encouraging inclusion and seeking to involve others. Ensures others always consider the wider context when sharing information making full use of networks and connections.
